## WORLDLIFT WINS SCHINDLER PROJECT

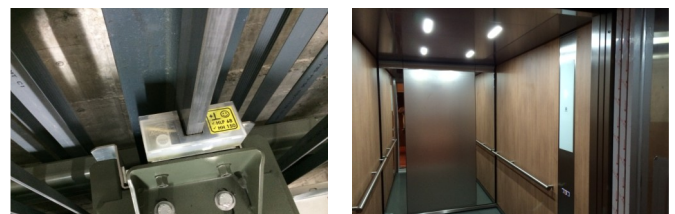

Worldlift was chosen, by Schindler Belgium, as the subcontractor Company, to UZ Hospital, on Brussels.

This project includes dismantling of 12 existente lifts and installation of 14 new lifts.

Phase I of Project started on end of July 2014. Were dismantled 3 existente lifts and installed 3 new Sch 6500 units.

## VCA CERTIFICATION

Under Quality Management System and Safety Committee, Worldlift started, on June 2014, process of VCA (Safety, Health and Environment Checklist for Contrac-

tors).

At current moment, 50% of Worldlift's fitters already have VCA Certification.

In the sequence of permanent improve-

ment of Company services, it's our goal that, in next months, that all Worldlift's fitters, working on Netherlands and Belgium, be provided with this certification.
